

Spray Finishing Feature Flyer

May 2018

EOS 15-C25 Pump:

- 15:1 pressure ratio,
- Constant, pulse free delivery for superior finish,
- Reduces paint & solvent waste, fast colour changes,
- Low air consumption, primes at very low pressure,
- 50% fewer parts vs competitors,
- Ultra-quiet operation.

Xcite Spray Gun:

- New AIRMIX® aircap for superior finish and minimal overspray,
- Ultra-light and comfortable trigger,
- Stainless steel fluid passage,
- Fluid swivel fitting for improved maneuverability,
- Precise large fan width adjustment.

Complete Package: \$4,080.00 (includes 25' Hoses)

Lemmer Complete Pressure Pot System

A-928P HVLP pressure feed spray gun, 2.25 gallon heavy duty pressure pot with regulators and 15' or 25' twin hoses.

Complete Package: \$495.75

Paint Pockets Spray Paint Booth Exhaust Filters

Paint Pockets® has set the standard for overspray removal with their original line of booth exhaust filters. With a > 99% efficiency rating and unique design, Paint Pockets filters last 3 to 5 times longer than traditional fiberglass exhaust filters. The extreme efficiency also means less overspray on the fan housing and blades and in the stack during cleanouts.

20" X 20" Box of 30 \$172.72

20" X 25" Box of 30 \$215.06

BoothCoat Peelable Coating for Spray Booth Walls

- BoothCoat Sprays easily using airless, HVLP, or conventional spray application,
- Dries Quickly forming a removable barrier in minutes,
- Clean up with soap and water. No solvent is required,
- Booth Coat's tough, yet flexible film, enables it to strip *easily* from a wide array of surfaces including wet, dry, and powder spray booth surfaces,
- Booth Coat White's *bright* color improves illumination and worker efficiency in the spray booth,
- Booth Coat is *non-flammable*. Store it in the painting area ready for use,
- No "flash fire" danger from open containers. No special paint locker is necessary,
- Booth Coat can be used as a *masking* coating to provide temporary protection for metal and plastic surfaces during manufacturing, shipment or storage.

\$370.00 / 5 Gal. Pail

FLAME-A-GUARD III Flame Retardant Paper

- White – improves booth visibility
- 80 Lb. weight for heavier traffic
- Eliminates tracking paint from spray booth
- Allows fast and easy clean-up
- 100% Lint Free

36" X 300' Roll \$185.00

42" X 300' Roll \$215.00

60" X 300' Roll \$308.00
