Magnetic Gun Holder

- Versatile installation, attaches to anything metal
- De-clutters spray area
- Helps prevent damage to gun by keeping it off the counter

\$22.94/ea

Ford 4 Viscosity Cup

- Useful for correct thinning
- Helps determine spray nozzle size
- Helps produce a nice finished product

\$9.02/ea

Columbia Tech Tip # 103

- When setting up to spray always make sure to use a viscosity cup to help determine how much thinner is needed. Too much thinner can cause sags, hangers and runs. Too little thinner can cause orange peel and wrinkling.

Prices subject to change without notice. Prices do not include applicable taxes.
