- Acetone Replacement
- Green Solvent Replacement
- Eco-friendly solvent alternative
- Environmentally safe
- Resin cleaner
- Biodegradable
- Easily recyclable
- Slow evaporation
- Non-flammable
- 100% HAP'S free

As an acetone replacement, AcraStrip 600 CRR cleans polyester, vinyl ester or epoxy resin, gel coats, adhesives, putty, urethanes, paints and stains. In addition, AcraStrip 600 CRR is a green solvent alternative that can also clean permanent marker and inks. This eco-friendly cleaner can also effectively outperform traditional solvents such as acetone, toluene, methyl ethyl ketone, and thinners due to its unique lifting characteristics and green technology. AcraStrip 600 CRR is safe for use in ultrasonic cleaners.
