5" Dynabrade Spirit Sanders

- Comfort platform provides additional hand and wrist support
- Throttle lever recesses into handle, eliminating pressure point on operators hand
- 3/16 orbit available and is best for sanding raw material
- 3/32 orbit available and is best for Intercoat abrasion

~~\$257~~ Sale Price ~ \$199 ea

(Deal applies to in stock 5" Dynabrade sanders only, while supplies last)

Columbia Tech Tip # 112

When sanding a large surface make sure to overlap passes. For best results, overlap each pass by roughly 50 percent. This will help blend the random orbit scratches making them less likely to be visible. One sequence per grit without skipping a grit will typically be enough.

Prices subject to change without notice. Prices do not include applicable taxes.
