

## COLUMBIA INDUSTRIAL SUPPLIES AWARD

**DONATED BY COLUMBIA INDUSTRIAL SUPPLIES INC.**

**CRITERIA:** To recognize a student who displays an interest in wood finishing, and completes a wood finishing project using a variety of techniques to a high standard.

**STUDENT RECIPIENT:** Alexander Harper

Alex showed a strong interest in the wood finishing component of the program, going above and beyond requirements for assignments. He was often found in the finishing room experimenting with different techniques, and took the lead role using commercial finishing practices for a large class project. He is an overall excellent student, excelling in all aspects of the program. He earned this award with the highest combined mark for finishing projects.
