ANNOUNCEMENT

July 28, 2025

Dear Customers, Suppliers and Friends,

I am very pleased to announce that Trevor Petersen has been promoted to General Manager of Columbia Industrial Supplies Inc.

Trevor joined our Company in 2009 as a warehouseman and was promoted to the Company's Operations Manager in 2017. He has been instrumental in building our colour matching and production capabilities and has assembled a portfolio of competitive market leading suppliers to serve our customers with wood finishing solutions now and in the future.

Trevor has worked numerous North American trade shows and trained in Canada and Europe with industry leading wood coating manufactures. Trevor also guest lectures students on architectural coatings colour development at Camosun College.

As General Manager, Trevor will ensure we continue to earn your business. We are proud of our reputation of providing excellent knowledgeable service to our valued customers.

Please join me in congratulating Trevor!

John Houghton
President,
Columbia Industrial Supplies Inc.
